THE PANTHER

Presented by

DEDICATION

MRS. LEE MITCHELL

To every student there is one person to whom he looks as an ideal; a person who possesses many qualities to be desired in one's self. As a tribute to a teacher of such calibre, we dedicate this 1958 Panther.

A mere choice selection of words, no matter how elegant or elaborate, cannot encompass our admiration, our thanks, our very special affinity to her.

In her we have found unique qualities of leadership, devotion to duty, and all that a teacher should and could be. She required of us the work, conduct, and ideas of adults, and in turn treated us as adults. Her guidance paved the way on our tour through high school and by example she has fashioned a goal, breathing purpose into our education.

We thank you for all you have done for us, Mrs. Mitchell.
